

Honda - BF2.3

£ 745

Air Cooled

Description

In Stock New Honda 2.3 hp 4 stroke air cooled outboard engine short shaft. Extremely light, making it easily transportable and ideal for small boats and dinghies. Quite simply its the engine that anyone can use. Using the simple throttle grip, you can precisely adjust speed, giving you an accurate piloting touch with one handed control. With a choice of long or short shaft the BF2.3 is a versatile outboard engine. 360 degree rotation for great manoeuvrability in tight spaces. Neutral gear point, easily stop or slow without having to kill the engine. Further sizes available to order. 6 year warranty. Add £20 for courier delivery
