

## Bayliner - 2855 Ciera

£ 32,995

### Description

**\*\*UNDER OFFER\*\*** Bayliner Ciera 2855 Just arrived with a 5.7 250HP mercruiser inboard petrol engine .The 2855 Ciera is a good example of Bayliner doing things by degrees. Some 500mm longer overall and 230mm wider, the 2855 offers a bit more space inside and out, a greater degree of privacy thanks to a door on the aft cabin, and a more abiding layout for weekending away. That little extra waterline length and beam than the 2655, It allows for less compromise in the hull shape. It's definitely more sporty looking than chunky and better performing than the 2655 thanks to an extra 60hp in the engine bay. What's more, it will be a lot more capable offshore.

**Sales status:** available

**Manufacturer:** Bayliner

**Model:** 2855 Ciera

**Year built:** 2000

**Length:** 8.69 m

**Beam:** 2.77 m
